

# Please help us make a difference

**east to west** needs your help. Each and every project we're involved in costs money and usually a great deal of money. As a voluntary organisation we are reliant upon the grace of God and the generosity of those who value our efforts. With your help we can continue our work in your local community, work that positively affects literally thousands of people every year, both young and old. Below you will find information outlining the different methods by which you can donate to **east to west**. Please do not feel in any way obliged to give but if you are able, every bit helps and everyone who donates will receive our regular newsletter updating you on exactly how those precious pennies are being used. Thanks in advance and God bless.
